1. Call to order at 7:00.

  - Fernwood Dragons: No members present to report.
  - Fernwood Town needs 1 or 2 more players.
  - Fernwood United: Willem Davies has asked for a refund due to a season ending injury.
3. Party Organization
  - Glen will look into whether Tally Ho has received the Sleeman's merch to be used as raffle prizes.
  - Idea floated, and met with agreement, that teams should be given the stage at club events to announce, praise, etc., big events in team members' lives.
4. Fundraising Targets
  - Stefan suggested that each team should set the goal of raising \$200.
  - Adam suggested that team fundraising could be helped by delegating the responsibility for planning club events so that each team plans and receives partial profits from one event per year. This should be discussed again before the Christmas party.
5. Equipment
  - Leo, the new equipment manager, dropped off our new pinnies to Glen who will distribute them to the appropriate team managers.
  - Stefan asked whether Tally Ho has received the tent/canopy yet.
  - Each team will need to acquire two net anchors to comply with the new VISL rules.
    - Suggestion: perhaps club members involved in the construction industry could make them out of scrap?
6. Other business
  - No other business.
7. Meeting adjourned just before 8:00.
